Dear Parents and Guardians,

Re: Notice of School Fee Increase

We hope this message finds you well.

We are writing to inform you that, following careful consideration, there will be a **5% increase in school fees**, which equates to an additional **£10 per month**, effective from the start of the next academic year in **September 2026**.

This decision has not been made lightly. Like many schools across the UK, we are experiencing increased operational costs. The key factors contributing to this adjustment include:

- Rising staff salaries to ensure we continue to attract and retain high-quality teachers and support staff
- Increased energy and utility costs
- Higher expenses for educational resources, materials, and technology
- Ongoing investment in school facilities, maintenance, and improvements
- General inflationary pressures affecting day-to-day running costs

We remain fully committed to providing a high standard of education and a supportive learning environment for all our pupils. This adjustment will help us maintain the quality of teaching, resources, and facilities that our school community expects and deserves.

We understand that any increase in fees can be challenging, and we sincerely appreciate your continued support and understanding.

If you have any questions or would like to discuss this further, please do not hesitate to contact the school office.

If you require any further information please contact us.

Kind Regards,

Zia Qazi
